

The Source at RMS
NEWSLETTER

September 2017

Welcome to The Source!

A place where those who love sports, art, games, or gadgetry stuff like robots and computers can meet!

Kickoff to the new school year!

It was so wonderful to meet so many new faces at this year's RMS Open House, Sixth Grade Orientation, and FAIR students who ride the shuttle over after school! Our after school program continues to grow, both in numbers and in activities. This year we will be focusing on service projects, student led clubs, and leadership. Keep reading our Newsletter to see what has kicked off this month!

Reminders

***PICK UP** - Please be sure to pick up by 5:30 and be at **Door 16** (back parking lot). If you are running late, we ask that you call our cell phone to give your child(ren) and our staff a heads up. Thank you for understanding! **RMS** site phone number: **612-290-1647**.

***HOMEWORK** - The Source is a great time for students to do their homework. We offer homework help during snack, 2:45-3:30. We are not going to “make” them do it, so please help us encourage them to take time at The Source to work on it.

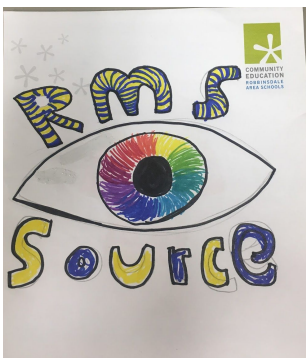

For inquiries during school hours please call **Courtney Oase, RMS Site Supervisor**, at 763-504-4914.

Service Project- Sock it to Texas

We are in need of SOCKS! The Source is currently collecting new or gently used socks to send to those affected by hurricane Harvey in Texas. Our goal at The Source is to collect 10,000 pairs to send down there. We will be collecting donations at RMS starting **September 25- October 18**. Our donation box will be located outside of Miss Courtney’s office (910 H), near the auditorium and front entrance of RMS. Please let us know if you have any questions or want to know how to help us out with this.

Source T Shirt Contest

Our Source students recently participated in a drawing contest to create a t shirt! The money we raise from selling our shirt will go to help support our program and our service projects. They will cost \$5 and can be purchased at The Source after school or in Miss Courtney’s office **starting in October**. Our design winner was Alexis Humerickhouse and her picture is on the left!

Introducing SOURCE CLUBS!!

Brand new to this school year are student led clubs! We have five starting this quarter and we will keep or change them when a new quarter starts depending what Source students would like to do next. Club days at The Source will be Tuesday and Thursdays. The clubs we are currently offering are: Gaming, Dance, Basketball, Cooking, and Arts & Crafts. Here are our captains of the five clubs for this first quarter:

Pictured left to right: Basketball Captain-Keyari, Gaming Captain-Brendon, Dance Team-Emma, Arts & Crafts Captain-Beatriz, Cooking Captain-Leticea.

If you would like to help out with a club or donate any supplies, please reach out to any Source staff and Courtney! We would love to have guests on club days!
