Dear Robbinsdale Middle School Families,

It is my great honor to have been named, during this past month, as Principal of RMS. I would like to take this opportunity to welcome all the RMS families and students to the 2017-18 school year.

Throughout the process of interviewing at RMS and learning about our school from the Assistant Principals and others, I was repeatedly impressed with the accomplishments demonstrated by staff, parents and community committed to student success. I commend you on these achievements. It is clear to me that you all take the mission statement of our school and district very seriously, because it drives both the focus of our collective work and the manner in which they do that work each day. *“The mission of Robbinsdale Middle School is to provide a safe, positive and caring environment that helps all students develop into principled, lifelong learners and critical thinkers. We will prepare students for success in a global community and to understand that other people, with their differences, can also be right.”* I commend the RMS staff and families on the seriousness with which you take our mission at Robbinsdale Middle School, and I look forward to contributing to the successful realization of this mission.

I look forward to meeting all the RMS families and students at the upcoming open house for 7th and 8th graders on Wednesday, August 30th (6:00pm-7:30pm), 6th grade orientation on Thursday, August 31st (6:00pm-7:30pm) and the first day of school Tuesday, September 5th, 2017. I will also be hosting additional opportunities to meet families and community members during “Snacks With Shirrie” in the near future. In the meantime, feel free to contact me via phone or email, which I have provided below. Enjoy the remaining summer days, and I look forward to seeing you very soon!

Sincerely,

Shirrie T. Jackson, Principal
